Uniworld's **Rivers of the World Cruise** is back in 2024 with an even longer, farther-reaching itinerary! This 55-day odyssey will span three continents and four luxurious ships, taking 68 adventurous travelers to some of our favorite destinations as well as new-to-Uniworld locales.

THE ACCOMMODATIONS

Each of your Super Ships for this journey is a gorgeously appointed floating boutique hotel, designed to reflect the destinations it sails.

THE INCLUSIONS

Our usual host of all-inclusive luxury amenities, plus Welcome and Farewell events, a dedicated Traveling Concierge, special experiences and flights between each leg of the cruise.*

THE ITINERARY

PART 1

Ship: *Aria Amazon / Aqua Nera*

Destination: Peru, Argentina, Brazil

Days: 16

You'll begin your journey in the awe-inspiring Peruvian Amazon, starting with a land stay at the Country Club Lima Hotel before boarding one of two river ships—that's right, *two*. Because our usual Amazonian river ship, the *Aria Amazon*, accommodates just 32 guests for an ultra-exclusive experience, we've commissioned her sister ship, the *Aqua Nera*, just for our Rivers of the World cruise!

Following your 6-night sailing in the lush "mirrored forest," you'll continue on to stay at the Tambo del Inka hotel in the Sacred Valley, visiting Cusco and the inimitable Machu Picchu. Complete your stay in South America with two Rivers of the World exclusives: a stay in Argentina's Iguazu Falls and another at the Belmond Copacabana Palace in Rio de Janeiro.

Depart from Brazil on October 18 and arrive in the Netherlands on October 19.

PART 2

Ship: *S.S. Beatrice*

Destination: Netherlands, Germany, Austria, Hungary

Days: 16

We have another treat in store for you upon your arrival in the Netherlands. To elevate our wonderful *European Jewels* itinerary even further, we're moving one of our favorite Super Ships, the *S.S. Beatrice* all the way to the Rhine.

From there, you'll sail through no less than four countries in just 16 days, getting a taste for the varied delights of Central Europe along the way. And to enhance your sailing even further, Rivers of the World guests will find our Masterpiece Collection Private Mozart & Strauss Concert in Austria, normally available at an additional cost, automatically included just for them.

Depart from Hungary on November 3 and arrive in France later the same day.

PART 3

Ship: *S.S. Catherine*

Destination: France

Days: 8

Next, we'll slow things down for an indulgent sailing through France, with eight days to soak in the easy-going luxuries of Burgundy & Provence. Fine wine and cuisine reign supreme in this part of the world, and a river cruise is the ideal way to experience it all in style.

Another Masterpiece Collection experience has been included for our Rivers of the World guests on this journey: an immersive art and music experience at Carrières des Lumières that will take your breath away.

Depart from France on November 10 and arrive in Vietnam on November 11.

PART 4

Ship: *Mekong Jewel*

Destination: Vietnam, Cambodia

Days: 16

Cap off your expedition in style with a grand voyage through Vietnam and Cambodia. Begin with two nights at the Sofitel Legend Metropole Hanoi and one night sailing the island-studded waters of Ha Long Bay, then take a short flight down to eclectic Siem Reap. Here, you'll trek through ancient temple complexes, explore colorful markets and stay at the absolute oasis that is the Sofitel Angkor Phokeethra Golf & Spa Resort.

Then board the artfully airy *Mekong Jewel* to cruise the Mekong River and the unique villages of its delta. Your final stop? The Park Hyatt Saigon in Ho Chi Minh City, where a dinner with a spectacular panoramic view at the Chill Sky Bar is amongst our Rivers of the World exclusive highlights.

Note: *Does not include pre-/post-cruise flights. The itineraries presented are subject to modification due to water levels, closures because of public holidays or other uncontrollable factors. Every effort will be made to operate programs as planned, but changes may still be necessary throughout the cruise. This day-to-day schedule is subject to change. Your final day-to-day schedule will be provided onboard on the first day of your cruise.
