

## WOMEN-ONLY CRUISE

A passionate team of women came together to create an unforgettable week, filled to the brim with experiences created specially for this sailing. Guests on this inaugural themed cruise can expect to immerse themselves in France on new excursions, partake in breathtaking Nights Out, mingle at cocktail parties, and receive special gifts.

And prepare to laugh-'til-you-cry during an onboard stand-up set and exclusive Q&A with acclaimed comedian, actress, and writer **Rachel Dratch**, best known for her tenure on Saturday Night Live (SNL).
